

Dear Eastwood Resident:

Let me be very clear: I do not support the Magnolia Glen Single Room Occupancy proposal. District I, from Hobby Airport to the Northeast and the 4<sup>th</sup> Ward have enough homeless assistance programs/facilities. The rest of Houston needs to step up and do their part.

The leadership of your civic club knows I will stand firm on this issue. At the Council Meeting on July 23<sup>rd</sup>, Mayor Bill White would not commit to ending the discussion on Magnolia Glen and suggested that the Eastwood community talk about this project, implying that the discussion will not end until you are convinced to support his position. Well, that meeting will take place:

**Eastwood Civic Club Meeting is scheduled for Monday, Sept. 8, 2008  
6:30 PM, EB Cape Center.**

The developers are scheduled to be in attendance. We have not received word yet that the Mayor will attend, but if you agree with your neighbors in opposing any other homeless assistance programs in our area, I implore you to be there to tell Mayor Bill White and the developers.

The Facts:

- This would be the 15<sup>th</sup> Homeless initiative within 2 miles of Eastwood
- This will deter retail development and devalue residential property
- District I is already responsible for over 60% of the homeless initiatives in Houston

**You have my commitment and my support to strengthen and increase your property values.** Please let your voice be heard.

Contact your Elected Officials and tell them how you feel:
